Press release of 14/10/2020 related to the publication of the result of the International Invitation to Tender n°001/AOIO/SNH/CSPM-OP/20 of 10 January 2020 for the conduct of a feasibility study for a 3D seismic acquisition project onshore the Douala/Kribi-Campo basin in Cameroon.

The Executive General Manager of the National Hydrocarbons Corporation hereby announces that:

BENCHMARK GEOPHYSICAL CONSULTING LIMITED, Sandy Farm, Sands Road, Farnham, Surrey, GU10 1PX, United Kingdom, is declared successful bidder of the International Invitation to Tender n°001/AOIO/SNH/CSPM-OP/20 of 10 January 2020, for the conduct of a feasibility study for a 3D seismic acquisition project onshore the Douala/Kribi-Campo basin in Cameroon, for an amount of **176,865,683.06 (one hundred seventy-six million eight hundred sixty-five thousand six hundred eighty-three, and six hundredths) CFA Francs tax-inclusive**, within a deadline of **three (03) months**.

The unsuccessful bidders for the said Invitation to Tender are requested to contact the Secretariat of the Contracts Unit of the National Hydrocarbons Corporation, and withdraw their bids within fifteen days. After this period, the said bids will be destroyed, in accordance with the regulations in force.

This announcement shall serve as a bid bond release for the unsuccessful bidders.

Yaounde, the 14 October 2020

Adolphe MOUDIKI
Executive General Manager
